PUBLIC NOTICE

The Clayton County Board of Commissioners will meet in a Special Called Meeting on Tuesday, September 18, 2012, at 5:00 p.m. in the Commissioners' Boardroom, located at 112 Smith Street in Jonesboro, Georgia, to discuss with the mayors and chief elected officials of each municipality residing in the special district whether and when the county will levy an alternative local energy excise tax. Due to the 2012 Georgia General Assembly's passage of legislation that would phase out local sales tax over a four (4)-year period on energy used in manufacturing, the county is allowed to determine how to recoup the lost revenue by levying an energy excise tax at a rate equal to the amount exempted. No voting will take place in this meeting. Citizens are welcome to attend.

Shelby D. Haywood, Clerk
Clayton County Board of Commissioners
